

Next Step Academics Donor Privacy Code

Next Step Academics respects your privacy. We protect your personal information and do not rent, sell or trade our mailing lists. Your name and address and other information you provide will be used to deliver services and to keep you informed and up to date on the activities of Next Step Academics, including programs, services, special events, funding needs, and opportunities to volunteer or to give. If you wish to be removed from our communications, simply contact us by phone at (832) 225-6035 or via e-mail at: donorservices@nextstepacademics.org, and we will gladly accommodate your request.

Our Commitment

Our organization is committed to protecting the privacy of the personal information of its employees, board members, agencies, donors, customers, and other stakeholders. We value the trust of those we deal with and the public and recognize that maintaining this trust requires that we be transparent and accountable in how we treat the information you share with us.

During our various projects and activities, we gather and use personal information. In donating to Next Step Academics, information will be collected that must remain private. Next Step Academics is the sole owner of all information collected in the donation process. Next Step Academics will not under any circumstance sell, share or rent your information in ways other than what we disclose in this statement.

Privacy Practices

Personal information gathered by our organization is kept in confidence. Safeguards are in place to ensure that the information is not disclosed or shared more widely than is necessary to achieve the purpose for which it was gathered. We also take measures to maintain this information's integrity and prevent it from being lost or destroyed.

We collect, use and disclose personal information only for purposes that a reasonable person would consider appropriate in light of the circumstances. We routinely offer individuals we deal with the opportunity to opt not to have their information shared for purposes beyond those for which it was explicitly collected.
