

Next Step Academics

Opportunities for everyone

Ethnic Statement

Our nonprofit organization, classified as a 501c3, is solely focused on the education sector and is dedicated to providing students with an experience that is both personalized and ethical. We understand the importance of gaining admission into higher education institutions, whether it be colleges, trades, or military studies, and we take great pride in assisting our students in achieving this significant milestone. Our unwavering commitment to creating a safe and fair environment is evident in our every action, and we ensure that every student has an equal opportunity to succeed. Our team of educators and staff hold ourselves accountable to the highest ethical standards in all our interactions with students, parents, and the community. We strive to cultivate an academic and personal environment where students can flourish. Our ultimate objective is to empower our students to become responsible, ethical citizens who will positively impact their communities. With this in mind, our students have the potential to be future leaders of their respective communities, and we are confident in their abilities to make a difference in the world. At our education nonprofit 501c3, we are dedicated to providing students with a personalized and ethical experience. We understand that gaining admission to college, trades, or military studies is a significant milestone, and we take pride in helping our students achieve that goal. We are committed to creating a safe and fair environment where every student has an equal opportunity to succeed. Our team upholds the highest ethical standards in interactions with students, parents, and the community. We believe in cultivating an academic and personal environment where students can flourish. Our ultimate objective is to help our students become responsible, ethical citizens who will positively impact their communities.

Regards,

Joshua Lahner
